

## Waste Not, Want Not

One in 10 households in the United States faces hunger, according to Bread for the World. Want to give your event karma a boost? Try the "Special E", an event planning resource that rescues leftovers from meetings, parties and special events, and delivers them to charitable organizations that help people in need. Recipients such as soup kitchens, food banks, homeless shelters, hospitals, nursing homes and relief agencies all benefit from the leftovers that Special E rescues. The items they deliver include leftover food, floral arrangements and centerpieces, balloons, extra promotional products and hotel room amenities. For more information, call (888) 448-1930 or visit [www.thespecial.com](http://www.thespecial.com).
